

Student Name _____

Teacher Name _____

URL _____

HOW TO MAKE YOUR OWN WIKI . . .

1. If you do not have an email account, you must do so first. Go to www.yahoo.com, www.hotmail.com, or www.gmail.com to sign up for a free account.
2. Do steps 3-11 at home- you must be able to access your email account from home to get started. If you do not have computer access at home, consult your teacher.
3. Go to www.pbwiki.com. Click on the large RED button labeled, "Create a wiki."
4. Enter your name (first and last).
5. Enter your email address.
6. Create a password that you can remember. Write it down here _____.
7. Pick a wiki name- this will be your URL address, and you cannot make changes to it later. Make sure it's one you like and will want to share with others! It cannot be your first and last name (though you may use one or the other).
8. Select "Education" under the "What is this wiki for?" menu.
9. Leave the "Yes, please make this a PBwiki 2.0 wiki" box checked.
10. Click "Create my wiki."
11. Check your email and click on the link provided.
12. Your wiki is password protected for editing, but public for viewing. Check the box next to "Public."
13. Check the box next to "Agree to Terms of Service."
14. Click on "Take me to my wiki!"
15. The first page that appears is your home page. Click "Edit" to edit this page and create the introduction that your teacher wants you to create.
16. Click on "New Page" to create a page for each grade level.
17. Click on "Files" to upload English papers. This is where you will begin storing all of your portfolio pieces for each year of high school.
18. The best way to figure out this program is to play around with the links and features offered. Have fun and enjoy!
